6. Remarks and Other Relevant Information:

KCFD7 is the owner of Fire Station No. 73, located off of Chepoda Road, in Section 26, T20N, R14E., W.M., of Kittitas County, Washington. Station No. 73 has been served by an exempt groundwater well, withdrawing 110 gal./minute, and 5000 gpd, since approximately 1985. KCFD7 is replacing Station No. 73, and the current groundwater well location and design does not allow for sufficient flow to service the proposed improvements for the fire station.

KCWD5 has applied for a change in its service area that would include the KCFD7 property at issue.

Subject to obtaining all requisite governmental approvals, including an approval of the expansion of its service area to include KCFD7 Parcel 485036, KCWD5 is willing to provide water service to KCFD7's property. KCFD7 would be responsible for constructing or bearing the cost of construction of all additional infrastructure necessary for KCWD5 to serve the KCFD7 parcel with water from KCWD5.
